Mentee Commitment Agreement

Now that you have been accepted to the COMPASS Program, please sign and return this form to Anita Randle via campus mail (100 Barr Hall), email (arandle@olemiss.edu), or fax (915-7577) to commit to the program and its Participation Requirements outlined below.

Participation Requirements for the COMPASS Program:

This is strictly a voluntary program. You must be a full-time or permanent part-time staff member of the University of Mississippi and be in need of some type of professional or personal guidance from a non-supervisory member of the university. Sometimes it can take a while to resolve an issue or see progress in a particular area. We ask that you commit to meeting with your mentor for a minimum of one semester and be able to meet at least once a month. If you are planning on meeting during work hours (not during lunch) you will need the written authorization of your immediate supervisor or department head.

I understand and agree to the conditions of the COMPASS agreement. I fully meet the criteria for being a participant in the program and agree to a full semester commitment.
